

From the desk of Dr. Sharon Craft

## **EMERGENCY NOTICE**

Available Mental Health Services will be closed until further notice. In align with the Governor of Virginia and the national task force to contain and stop the Corona Virus we will not expose our clients or staff unnecessarily to any risk. We asked that you do not come to the office until notified.

We are instituting our telehealth program immediately. This program will allow you to have your appointments by phone or video conferencing if you have the capability. Our providers are trained.

All payments will be taken electronically prior to your session. You will be notified and provided instructions on how to log on or call for your appointment. We have the capability to get your medications to your selected pharmacies and your orders to the labs.

To manage your privacy and protect your rights It will be your responsibility to ensure you have your session in a safe quiet nonpublic place. We can assure your privacy will be protected from our end; however, your call is your consent stating you understand your responsibility and instructions given to follow our recommendations. If you disagree with this consent you must submit your disagreement in writing prior to your appointment and do not call for the phone or video appointment. If you call you CONSENT, and you have absolved AMHS responsibility for any breach of confidentiality on our company.
